Why don't you ask him to see who's hanging near who
I heard you live with some old man ?
Are you paying him or is he paying you ?

I could not understand at all.
...About what, sir?
My mother passed away, and my two sisters were adopted and were sent overseas. My father left home to make money supposedly. My neighbor and father's friend are looking after me. What do I need to explain, sir?
I could not understand that why I had to explain and make them understand why I suffer.
No one's picking up phone at your home.
I'd like you to explain about the rumor.
When attacked
Brainless bitches ...
I attacked back. I had to.
Don't make a big deal out of nothing !

Going to have some fun ?
Oh, bro.

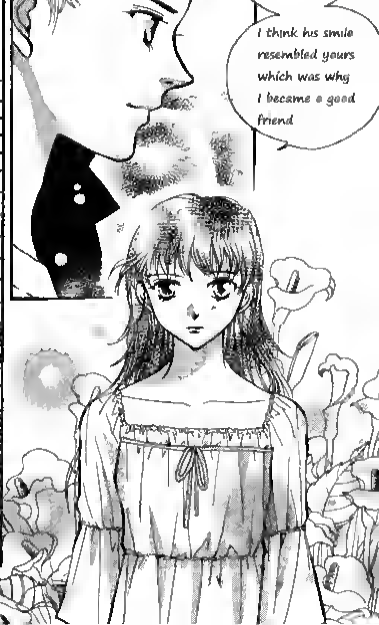
I have a business to attend to
My daughter is looking over the shop now Why don't you pay a visit ?
You let an infant look after the shop ?

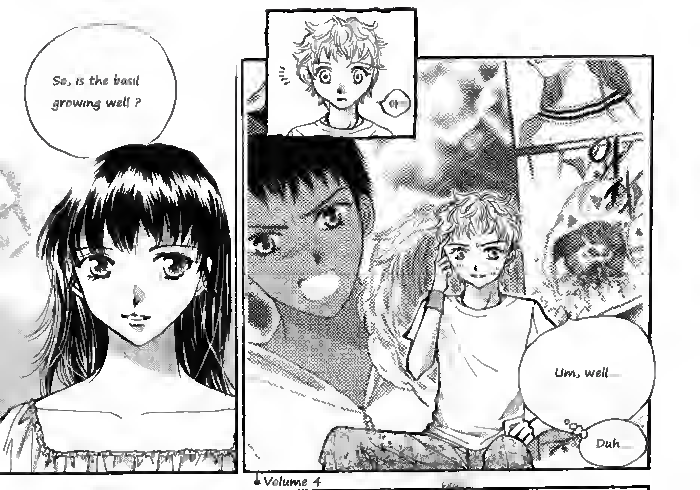
You knew it all along didn't you ...
Don't laugh ! I've been calling my girlfriend's father bro ! Do you know how awakard it will be now ?
You two got to know each other before I introduced him to you, so it's okay.
Knew what ?

Ah. this is...
Well..

It's Basil
He gave a pot of Basil for free when I asked for a gift for my girlfriend

He smiles a lot.
I think his smile resembled yours which was why I became a good friend





So, is the basil growing well ?
Um, well...
Duh...

Hardship is often essential for growth.

I grew these at home
Its pot was bashed and fell on the day of the stupid fight.
When I took it home its pot was again broken by Mong once more.
So, you do realize that the fight was foolish.

People fight when they care.
I grew just as the basil

There is no one around.
So ... so what ?! We are supposed to look after the shop !

He ran away
It was the first time for me to be looked down like that.

It was aunt Eunte's studio ..

I am sure he hasn't left
I will help you find him.

But Ritsuki is right to be angry
It was for a short moment but I really wanted him to disappear from the house

Aunt Eunte
She doesn't come here anymore
Well she's always busy
Why don't you call ?
She didn't respond and her studio wouldn't let me talk to her

JANIMES.COM

You've been busy lately
Is something wrong ?
No.
Nothing.

What is it ?
What?

Hey, Yu.

Can you give me a firm date on when you will move out ?
I am looking for it still ...
I understand, but my situation isn't bright, either
Yes, I understand.
What do you mean moving out ?
You opened this shop not long ago
He has put the whole building on sale. so ...
Even so.. you have a lease contact don't you ?
Isn't it against the laws to break the contract ?
Kid.. act like one !
Now, Yu, I take that you will be done soon.

I will purchase this building

What are you saying ?!
That jerk .. He ignored me !
I am going to pay him back ! That's why
Yeah fine you got me.
I can't find anything about him since the contest do not disclose any private info
Though there is only a slim chance that he will contact me.
You used to say that.
Are you thinking that he is the fated one ?
Those who are fated to meet will meet no matter what.

But I don't know

I've always needed an ideal to look at and Angel just so happened to be one

But why ..

Do I get a feeling that I will meet him again ?

JANIMES.COM

A friend ?
I don't even know him
Huh ?
The first time I saw him was when I was a freshman in middle school
I saw him occasionally hanging around my home since then.

At first, I thought he lived around the area.
But
He seemed to be there to see me and leave

Maybe
A secret admirer ?
He knew that we were triplet.
Really ? A stalker perhaps ?
You like stalkers ?
I've never used the word for guys though.
Doesn't he look handsome ?

And you are wearing PE shirts ?
Well, I had my reasons
You are early, too

We have a contest coming up soon.
You are still going to do it ? You didn't have much time to practice, you said.
I will practice harder during the summer break.

I guess I will make a girl-friend

It looked like ..
Phillip was saying that intentionally around Mang.
Do you think this incident has ruined his pride ?
Probably more than just pride.
Hm?
I guess he did it so that Mang won't feel sorry
We've been together like brothers.
You know him well
I bet he is in the worst mood right now

He is feeling overly guilty.
I am worried about Ritsuki also. He had nowhere else to go. That's why he was at my home.

You are really disgusting !

Would you have stayed at my home longer ?
No.

A day or two
Did I have a reason to stay longer ?
— Have you ever made a friend ?
People make "friends" who can be beneficial to them.
I am not interested in such an artificial relationship

Shut it.
